

# March Networks' 3-Year Warranty for all 8000, 9000, RideSafe, and X-Series Recorders

## Compare the advantages of our industry-leading 3-year warranty program

### MARCH NETWORKS GURU

**Making our partners' job — and our customers' service costs — a bit lighter.** This industry-first smartphone application makes it easy to initiate an express Return Maintenance Authorization (RMA), check product warranty, and confirm RMA shipment status.

During the three year warranty period, customers can take advantage of these Advance Replacement benefits:

- Option for Repair & Return or Advance Replacement.
- No need to issue a PO prior to receiving the replacement.
- March Networks incurs all shipping costs — both ways — for Advance Replacements.
- All components in the NVR are covered under this program, including HDDs.
- Out-of-box failures are covered for 30 days.
- Advanced Replacement service is available for supported recorders even if they're Out of Warranty.
